

GREENWICH UNITED WAY  
NOMINATING COMMITTEE  
Report for November 2016 Board Meeting

Since finalizing the 2017 slate for new members of the Board of Directors, we have been working on the Advisory Board slate, the Nominating Committee slate and the Board Mentor program. If anyone would like to serve as a mentor to a new Board member, please let me know soon as we will be making assignments in the next couple of weeks.

As always, we are interested in hearing any ideas you have for potential Board members. We will be starting the nominating process for 2018 shortly after the Annual Meeting.

Respectfully submitted,  
Anne Sherrerd, Chair
