Nominating Committee Report – Anne Sherrerd, Chair

The Nominating Committee met on May 25<sup>th</sup> to review names for the Board of Directors and Advisory Board. Our thanks to those Board members who have passed on names of potential nominees, and we continue to hope that all Board members will help us by suggesting names of people you think we should consider this year or get to know better for future years.

Jon Newman, Nominating Committee member and community volunteer, represented the Nominating Committee at the June 7<sup>th</sup> Advisory Board meeting. All attendees were given a description of the Advisory Board and a nominating form for both the Advisory Board and Board.

The next meeting of the Nominating Committee will be on Tuesday, June 27<sup>th</sup>. The Nominating Committee would welcome any thoughts or suggestions you may have for potential Board or Advisory Board members to add to our lists!!

Respectfully submitted,  
Karen Keegan
