

Dear Reading Champions Applicant,

Thank you for your interest in the Greenwich United Way Reading Champions Program. Currently, our tutors work in all the elementary schools and four after-school programs. The program follows a specific curriculum that has been designed by the Literacy Specialists in the Greenwich Public Schools. The purpose of our program is to build a student's fluency skills. Our volunteer tutors are trained to participate in one of three different programs which are:

Fluency Coaching – Grades 1-5: In this program the Reading Champion Volunteer Tutor works with children in individual coaching sessions that last 20-30 minutes per child by following a lesson plan that includes reading selected passages with the child and reviewing difficult word/phrases, and timing the student as he/she reads. Tutor and student also discuss the meaning of the passage. Passages and timers are provided at each location. The Volunteer tutor also works with the student to master Fry words which are the 600 most frequently used words by grade levels that the student must know and read automatically.

Kindergarten Tutor – in this program the Reading Champions Tutor works in the kindergarten classroom during literacy and/or word study periods. The tutor will assist students either in small groups or individually as directed by the classroom teacher. **Kindergarten sessions are not offered at every school.**

After-School Program – This homework completion program meets between the hours of 3-4:15. The Reading Champions Volunteer Tutor is assigned to three students and works individually on homework completion with each child for approximately 20 minutes OR the tutor is not assigned to specific students and helps the students who request the tutor's help.

We hope you find this program of interest to you and urge you to complete the volunteer application as soon as possible to participate in the Greenwich United Way's flagship program.

**VOLUNTEER
APPLICATION**

Thank you for your interest in volunteering with Greenwich United Way Reading Champions. As a volunteer with Reading Champions the volunteer commitment is from mid-October until the last week in May. If you think you will miss more than three consecutive weeks due to travel/vacation, please reconsider your application as inconsistency is not in the best interest of the student's schedule. Team tutoring, which allows shared time with a tutor partner, is an option. We can help find you a partner or, if you have a friend to share your shift, please indicate this on your application. Volunteer placement will be contingent upon satisfactory background and reference checks.

Volunteering with Greenwich United Way is at will. This means that volunteers have the right to terminate their relationship with or without cause at any time, and Greenwich United Way has the right to terminate the volunteer relationship with or without cause at any time. **Kindly mail application to: Marie Wardell, Greenwich United Way Reading Champions, 500 W.
