

September 6th, 2017

The Nominating Committee has been spending the summer asking individuals to join the Board of Directors and the Advisory Board. As of now, we have three new Board members and seven new Advisory Board members lined up, with a number of potential candidates still outstanding. We expect this process to be completed in the next month and plan to present the 2018 slates at the October or Board Meeting.

Anne Sherrerd, Chair, Nominating Committee
